

THE CHURCH OF THE EPIPHANY  
1317 G Street, NW Washington, DC 20005

**Parish Stewardship Statement**

*God offers us a life of abundance and calls us  
to celebrate our lives and unique capabilities as gifts.  
We believe that God wants us to use these gifts,  
not only for ourselves, but for all Creation.  
In a world broken by unshared bread,  
God invites us to a table  
with room enough and bread enough for all.  
We accept God's invitation,  
and we bring with joy our gifts to God's table.*
